

Hallador Energy Company
Audit Committee of the Board of Directors

1. PURPOSE

The Audit Committee (the "Committee") of the Board of Directors of Hallador Energy Company (the "Company") shall assist the Board of Directors (the "Board") in fulfilling its oversight responsibilities with respect to: (i) the integrity of the financial reports and other financial information provided by the Company to the public or any governmental body; (ii) the Company's compliance with legal and regulatory requirements; (iii) the Company's systems of internal controls over financial reporting; (iv) the qualifications and independence of the Company's independent auditors; (v) the Company's auditing, accounting, and financial reporting processes generally; and (vi) the performance of such other functions as the Board may assign from time to time. To this end, the Committee will maintain free and open communication with the Board, the independent auditors, and any other person responsible for the financial management of the Company. The Committee will also prepare an audit committee report as required by the rules of the SEC to be included in the Company's annual proxy statement and/or Form 10-K. Consistent with its functions, the Committee will encourage continuous improvement of, and will foster adherence to, the Company's policies, procedures and practices at all levels.

Currently the Company does not have an internal audit department.

The Committee will primarily fulfill its responsibilities by carrying out the activities enumerated in Section 5 of this Charter.

As an oversight body, the Committee does not have responsibility for day-to-day operations and financial reporting. It is not the responsibility of the Committee to plan or conduct audits or to determine that the Company's financial statements are complete and accurate and are in accordance with generally accepted accounting principles; rather, this is the responsibility of management and the independent auditors.

2. COMPOSITION AND ORGANIZATION

The Committee will consist of three or more directors, each of whom must be independent as determined in accordance with the standards set forth by the NASDAQ listing standards. Members of the Committee shall be appointed by the Board and, unless otherwise directed by the Board, shall serve one-year terms. Members may be removed by the Board at any time with or without cause. Upon the removal or resignation of a member, the Board may appoint a successor to serve the remainder of the unexpired term. The Board will appoint one member of the Committee as chairperson. If the Board fails to appoint a chairperson, the Committee will appoint one member of the Committee as chairperson. The Committee shall have the power to create subcommittees with such powers as the Committee shall from time to time confer.

3. QUALIFICATIONS

Each member of the Committee must be able to read and understand fundamental financial statements, including the Company's balance sheet, income statement and cash flow statement. No director may serve as a member of the Committee if such director serves on the audit committees of more than two other public companies unless the Board determines that such simultaneous service would not impair the ability of such director to effectively serve on the Committee and such determination is disclosed in the Company's annual proxy statement. Accordingly:

- each member of the Committee shall be financially literate, as such qualification is interpreted by the Board in its business judgment, or must become financially literate within a reasonable period of time after his or her appointment to the Committee; and
- at least one member of the Committee must have accounting or related financial management expertise, as the Board interprets such qualification in its business judgment, in order to meet the requirements as a "Financial Expert" as defined by the SEC

4. MEETINGS

The Committee will meet at least four times annually and more frequently as circumstances dictate. The Committee chairperson will establish the agenda for each Committee meeting. As part of its job to foster open communication, the Committee will meet at least quarterly with management and the independent auditors in separate executive sessions to discuss any matters that the Committee or any of these groups believe should be discussed privately. In addition, the Committee will meet with the independent auditors and management quarterly to review the Company's financials, consistent with Section 5 below.
